## PROGRAMMING POLICY

### St. Agnes' Primary School

#### **RATIONALE:**

The teachers' program will provide students with a sequential curriculum framework that guides their learning, as well as providing measures of learning achievement that allow students, teachers and parents the opportunity to assess student performance against standardised learning outcomes, as mandated by the NSW Board of Studies.

#### **AIMS:**

To improve student learning through the development and implementation of programs across all Key Learning Areas and across all year levels in a consistent manner. The program is a working document that clearly shows what has been taught and what has been assessed.

#### **IMPLEMENTATION:**

A work program is to be completed by all teachers. It must contain all requirements as listed in the CSO Curriculum Guidelines Document. Refer to CSO Intranet for more information.

#### **Teaching Program**

- Syllabus outcomes and Indicators
- Organisation of Learning Experiences/ Contents for each KLA with timeframes and learning adjustments included.
- Assessment tasks
- Links to Resources
- Evaluations/Teacher Reflection, including changes made to planned learning sequences as well as strategies to guide future planning
- Programs must be dated and initialled
- Online Program Builder will be used for all teaching programs.

Programs are collected once a term as determined by the Assistant Principal and discussed with grade staff members in a meeting. Feedback and future directions will be given to each individual staff member.
